

## **University of West Georgia International Baccalaureate (IB) Credit Policy**

The University of West Georgia awards credit for International Baccalaureate (IB) course exams provided that the academic departments judge the exams to be comparable to end-of-course assessments at the University of West Georgia.

IB diploma completers will be granted college credit for Higher Level courses with assessment scores of 4, 5, 6 or 7 as indicated below. For diploma completers with Standard Level course assessment scores of 5, 6, or 7, unless indicated below, courses will be reviewed by the appropriate department and credit awarded based upon that review.

For students who did not complete the IB diploma, college credit for Higher Level course assessment scores of 4, 5, 6, or 7 is awarded as indicated below.

The total college course credits awarded for IB course assessments may not exceed 24.

Official International Baccalaureate transcripts should be mailed directly to the University of West Georgia Office of Undergraduate Admissions.
