Student Opportunities Action Team

The Action Team Chairs form the steering committee for the CCEC and provide leadership for our collective efforts aligned directly with the vision and mission of the Collaborative.

Action Team Chairs:

- Dr. John Head, Associate Vice President for Enrollment Management (UWG)
- Dr. Perrin Alford, Provost/COO (WGTC)
- Mr. Jay Louttit, Director of College Counseling (OMA)

Student Opportunities works primarily to develop dual enrollment choices, technical pathways and certifications, creative programs such as early college, and aligned articulation between K-12 and postsecondary.
