Carrollton-Carroll County Education Collaborative (CCEC) Talking Points

CCEC MISSION
- The CCEC’s mission is to have a positive impact on student success. We do this through a collective vision for college and career preparation for all. The focus of our mission is student success by working together in a P-16 framework.
- The CCEC connects preschool entities, K-12 (elementary, middle, high) schools, West Georgia Technical College, and the University of West Georgia to work collaboratively to improve educational attainment and work force preparedness.

CCEC BELIEFS
- ...that leaders from the community, post-secondary education, K-12 education, Pre-K, business and elected officials can work together to increase opportunities for students.
- ...that talent and intellectual capacity exists throughout our school systems and post-secondary institutions, but awareness and opportunities may not.
- ...that social mobility via access to post-secondary education is essential for economic development in our community.

CCEC GOALS
- To ensure academic success for ALL students, P-16;
- To educate and promote career pathways and access to post-secondary education;
- To ensure that ALL students graduate from high school prepared to enter the workforce and/or succeed in a two-year or four-year college or university;
- To increase opportunities for ALL students through a community network.

CCEC STRUCTURE
- Leaders from the community, post-secondary education, P-12 education, business and elected officials working together to achieve the CCEC goals and to increase opportunities for all students.
- Executive Committee – UWG President, WGTC President, Public and Independent School Superintendents, Carroll COC’s CEO and Community Leaders
- Action teams focused on: Student Opportunities, Support and Interventions, Performance and Research Processes, and Communication and Partnerships that are fully operational for 2016-2017.
- Organizational Effectiveness Teams: Operations and Design Improvement for the purpose of improving efficiency and effectiveness.
- Developing a cohesive planning calendar for the 2016-2017 school year and effectively implement a comprehensive version for the 2017-2018 school year.

CCEC MEASUREMENTS FOR SUCCESS
- Prioritizing, tracking, assessing, and improving literacy and mathematic scores in the early grades to ensure academic success in high school and post-secondary readiness.
- Developing and marketing multiple career options and choices for students in the middle and high school years to improve levels of readiness to post-secondary education and workforce/career pathways.
- Measuring progress on college attainment will provide important data on our progress towards all students being successful.
