IS “GOING WEST” — THREE MILES WEST — TO DOWNTOWN NEWNAN. In Spring 2015, UWG will move its Newnan-based undergraduate and graduate degree programs in nursing, education and business to 80 W. Jackson St., the site of the historic Newnan Hospital facility. We’ll be growing our healthcare-related degree programs and expanding dual-enrollment opportunities for area high school students, particularly in the science, math and technology disciplines. Today more than ever, Once you Go West, you can go anywhere. gowestgeorgia.com
