Searching for a Particular Course Topic

1. Sign into Develop West [www.westga.edu/developwest] Your User ID and Password will be your UWG network credentials.

2. In the top section of the home page, enter the search topic in the “Search for” field. Select the appropriate category. Click the Search button.

3. The search will return the number of available options related to the topic. For example, the search for the topic “communication” returned 5,756 books, 1,088 courses, and 2 simulations, etc. The User can click on any of the search results to narrow down the information and select the specific item for participation.
