Carroll County
Chamber of Commerce Collection
Finding Aid

Scope and Content

The Carroll County Chamber of Commerce Collection is composed of documents and artifacts collected by the Chamber and donated by individuals to the Center for Public History. The collection also includes eleven oral histories, a commemorative booklet, and a panel display, all of which were produced by the Center for Public History to celebrate the Chamber’s fiftieth anniversary in 2005. Students in the Fall 2004 Introduction to Public History class, taught by Dr. Rebecca Bailey, conducted the project with graduate students Nikki Patterson and Amer Surmiller directing it. The celebration of the Chamber’s fiftieth anniversary, marked by a gala event on 8 January 2005, was the culmination of the Center for Public History’s Chamber of Commerce Project.
