STUDENT LOAN REQUEST FORM

You have indicated on your 2009-10 FAFSA that you did not want to be considered for federal student loans.

- If federal student loans are your only eligibility for financial aid you will not receive an award notification from the University of West Georgia's Department of Financial Aid unless you complete and return this form to our office.
➤ If you have received an award notification and student loans were not offered to you then you must complete and return this form to the Financial Aid office if you want to be awarded a student loan.

I hereby grant the Department of Financial Aid at UWG permission to change question #31 of the 2009-10 FAFSA to:

Yes, I am interested in receiving federal student loans.

Initial each item:

A. I understand that I must maintain at least 1/2 time hours as listed below in order to receive any loan fund disbursements.

- 6 hours Undergraduate
6 hours Certification/Provisional Graduate
5 hours Regular Graduate

B. I must complete a Direct Loan ENTRANCE information session if this is my first Direct Stafford loan at UWG. My loan funds will not be disbursed until I have completed this requirement.

C. I must sign a Master Promissory Note (MPN) to have a valid student loan unless I already have a valid MPN on record with the William D. Ford Direct Loan Program. I understand that if a promissory note is needed, I will be notified through my UWG email address. My loan funds will not be disbursed until I have completed this requirement.
