I have been given a copy of the Two Year College Graduates/ Former Students Policy and understand it fully, including, but not limited to, the parts of the policy listed below.

1. A minimum of 60 academic hours after the associate degree with at least a 2.0 grade point average is required for the bachelor's degree program.
2. Students accepted as transients from a two-year college to complete one or more courses needed for graduation at a two-year college will not be permitted to complete other work while enrolled as transients, or to include the transient credit in the 60 hours of work required at West Georgia.
3. All transfer credit requirements, as noted in the catalog, still apply. Therefore, not all course work may transfer.
4. An Associate of Applied Science cannot be used for the Two-Year Graduate option.

I certify that the above statements are true and complete and understand that any omission or misrepresentation will invalidate any further consideration or subsequent readmission. If accepted, I agree to abide by the regulations of the University of West Georgia.
