RE: LeaderShape Scholarships

The Center for Student Involvement is proud to announce the opportunity for two West Georgia students to attend the National LeaderShape Institute. The National LeaderShape Institute will take place in Atlanta, GA from July 10 – July 15, 2011. The selected students must be able to attend this session.

LeaderShape is a nationally recognized institute, created to improve campus leadership and to teach young adults to “lead with integrity.” The curriculum focuses on “take-home application,” through the vehicle of comprehensive and powerful leadership projects. Through these projects, each participant has the opportunity to engage herself/himself in reflection, planning, small group processes, and large group learning. This experience will be provided free of cost for two UWG students by the University and by a National LeaderShape Scholarship.

Students may be nominated for LeaderShape Institute by faculty, staff or students. Students must be sophomores or juniors and should submit all application materials to the Center for Student Involvement, by 5 pm on March 4, 2011: including the attached application and a current resume of campus, community, and work activities.

We look forward to receiving your nominations and thank you in advance for your support of this program.

Sincerely,

Crystal Brown
Coordinator of Student Involvement Programs
