Updated February, 2016

Face to Face Courses

Two Options for Testing Accommodations:

- Students and instructors may choose a location determined by the instructor, such as his/her office or an available conference room near his/her office. Some programs of study, such as Nursing, proctor their own tests so they will also provide an appropriate space.
- Students may test at Academic Testing Services (ATS); instructions provided below. For the Newnan Campus, contact Terri Lewis at least one week in advance at (770) 254-7280 or tlewis@westga.edu to make arrangements.

How to schedule your tests with Academic Testing Services (ATS):

- Email your SAR to Ms. Francie Taylor, Director of ATS at ftaylor@westga.edu. You only need to email your SAR to her once unless your accommodations change.
- Call (678) 839-6435, or visit ATS (110 Strozier Hall), at least one week in advance to schedule your test. You can schedule for the entire semester if you know your test dates.
- Your test time should include the time the class is testing. For example, if you have a test in your 11:00 – 12:15 class and then have another class from 12:30 - 2:00, you should schedule the test (for time-and-a-half of 112 minutes) beginning at 10:00 to ensure you have enough time to make it to your 12:30 class.
- Once you have scheduled your testing with ATS, you MUST EMAIL your instructor with the arrangements that you have made PRIOR TO EACH test to ensure your test will be available at ATS.
- If you are entitled to Assistive Technology or personal assistance accommodations, you MUST contact ATS two weeks prior to your test.
- Do not go to class on test day if you are testing at ATS. You will report to ATS unless instructed to do otherwise.

PLEASE NOTE: When registering for Standardized Tests such as the GRE, GACE, MCAT, or NCLEX, you must contact those testing entities directly and follow their instructions and procedures.

Letter to Students from Academic Testing Services

TO: Accessibility Services Students
FROM: Francesca B. Taylor, Academic Testing Services (ftaylor@westga.edu)
SUBJECT: Classroom Test Accommodations

Academic Testing Services (110 Strozier Hall, (678) 839-6435) is one campus resource available to assist students with documented learning and/or physical disabilities who require special test accommodations. Please understand that I am the only professional staff member in the Testing Office. While my office is generally open Monday - Friday from 8 a.m. until 5 p.m., there are occasions when other obligations take precedence.

The following reminders will make the testing process easier for you:

- It won’t always be possible to test you at the same time/on the same day as the class is taking the test. Obviously the more advance notice about a test, the better for all involved. If you have syllabi which include prospective test dates, tentative testing appointments can be made for an entire semester. It is your responsibility to
schedule the appointments, but it is helpful if you have already talked with the instructor about how much freedom we have in scheduling the exam.

- **It is your responsibility** to make a specific testing appointment with my office. That’s the only way to make sure that you have enough time to complete the test. When the test is completed, I will see to it that it is returned to the instructor in whatever way has been agreed upon.

- Even though your instructor and I may have made some basic arrangements, **it is your responsibility** to remind the instructor when you are taking the test and how/when that test will be delivered.

- **It is your responsibility** to be on time for your appointment and ready to start. Requests to be allowed an extra 15 - 30 minutes to study will not be honored. In addition, you are expected to have all necessary materials with you (scantron, calculator, pen/pencil, etc.).

- If the instructor changes or cancels the test date, **it is your responsibility** to let me know. If you cancel a test date (because of illness, for example), I expect you to let me know. You will also need to let your instructor know. I will keep the test for a few days until I hear from the instructor what I am to do. I will not allow you to take the test late unless I have permission from the instructor to let you “make it up.”

- If you need specific accommodations other than time and space (such as the use of a computer or the need to have your test read and transcribed), it is your responsibility to tell me that when you make your appointment.

- With your cooperation, I will make every effort to provide you with the opportunity to test in a setting which allows you to show your mastery of the material.

**Online/eCore Courses**

Communicate clearly and in a timely manner via email with your instructor that you wish to have your accommodation of extra time on all tests, quizzes and timed assignments for the entire semester. If you receive more than time-and-a-half as an accommodation on your tests, your instructor **may** require that your tests be proctored due to test security issues.

**You have three options for an approved proctored testing site:**

- **Off Campus:** A list of proctored testing sites approved by UWG is available on the [eCore website](https://ecore.usg.edu). These sites require **three week** advance scheduling and **may charge a fee**.

- **On Campus:** You may contact Academic Testing Services (678) 839-6435 at least **one week** in advance to make your appointment. For testing at the Newnan Center, contact Ms. Terri Lewis at (770) 254-7280 or **tlewis@westga.edu**.

  **PLEASE NOTE:** You must test during the testing site’s normal hours of operation. Inform the testing site of your accommodations when you schedule and take a hard copy of your SAR to the test. Inform your instructor of your testing site and date via email as soon as you make the appointment.

- **A Facility Provided by Your Instructor:** You and your instructor would work out this arrangement.

**PLEASE NOTE CONCERNING eCORE COURSES:** Every eCore class requires a proctored midterm, a proctored final, or both. This requirement will be stated clearly on the course syllabus. These exams must be administered at an approved **eCore testing site** ([https://ecore.usg.edu/current-students/proctored-exams-information](https://ecore.usg.edu/current-students/proctored-exams-information)).

- For any proctored eCore exam, you must schedule with the testing site at least **THREE WEEKS** in advance.

- You must test during their normal hours of operation.

- Testing sites charge for proctoring services, so be sure that you know what will be expected of you when you appear to take your eCore exam.

- You must forward your accommodations to **testing@westga.edu** at least **THREE WEEKS** prior to your test date.
