Student Name: ___________________________ UWG ID# ___________________________

The Department of Financial Aid has received the results of your 2015-2016 FAFSA (Free Application for Federal Student Aid). According to your application you are a dependent student. However, you did not provide any parental information. Failure to choose an option below and return the form to financial aid will stop the processing of your application for Federal Financial Aid. (This does not include HOPE Scholarship.)

PLEASE READ AND INITIAL THE CHOICE THAT FITS YOUR SITUATION:

A. _____ I have updated my 15-16 FAFSA with my parents’ information. Please update UWG records.

B. _____ I cannot provide my parents information. Please process an unsubsidized loan for me. (Page 2 must be completed and attached for this request to be processed)

C. _____ I believe there are extenuating circumstances that support a dependency override for my situation.

In order to better understand your situation we must have a written statement from you and supporting documentation of your circumstances. Approved types of documentation will be based on your situation, but may include letters or reports on official letterhead stationery and have official signatures from:

- Members of the Clergy
- An Educational Official (teachers or counselors)
- Police Reports
- Reports from DFACS (Department of Family and Children Services)
- Other items may include: birth certificates, death certificates or divorce decrees.

The Financial Aid committee will decide whether or not to allow you to complete the FAFSA process without your parents’ information based solely on the written statement and documentation that you provide. It is extremely important that you fully describe your situation and how it prevents you from obtaining your parents’ information.

You will be notified by Financial Aid once the decision is made. If your request is denied you must select another option and resubmit this form.
