**ONLINE BACHELOR OF SCIENCE IN
ORGANIZATIONAL LEADERSHIP**

GO WEST WITH eMAJOR

eMajor degrees are offered fully online through SACSCOC-accredited institutions of the University System of Georgia (USG) with functional and student support provided by USG eCampus. eMajor programs bring together the power and academic expertise of multiple USG institutions to provide online degrees that prepare students for workforce demands in Georgia and beyond.

The Bachelor of Science in Organizational Leadership (ORGL) eMajor degree is specifically designed to accelerate your path to graduation through a combination of transfer credit, prior learning credit, and accelerated online classes. The ORGL degree is a perfect option for transfer students, working professionals, military members, or anyone who is seeking a faster, alternative route to earning a degree from the University of West Georgia.

WHAT IS ORGANIZATIONAL LEADERSHIP?

Organizational leadership involves the practices, theories, issues, and ramifications of leading an organization or business. Students in the program learn about management, administration, human resources, and technology related to today's complex organizations in the public, private, and nonprofit sectors.

The University of West Georgia's ORGL eMajor program emphasizes communication, ethics, organizational development, project management, and leadership, equipping graduates with the skills to pursue or advance careers across a broad range of industries, including public service, community engagement, nonprofit work, and private sector leadership.

Courses include Public Finance, Project Management in the Public Sector, Public Human Resource Management, Professional Writing, and more.

WHY A ORGL DEGREE WITH UWG?

Affordable Tuition

eMajor tuition is just \$199/credit hour and is the same for students at all participating institutions, regardless of in- or out-of-state residency.

Accelerated and Flexible

eMajor courses are offered completely online in an asynchronous format, meaning you can complete your work on lunch breaks, on the weekends, or after the kids have gone to bed—whenever works best for you. The accelerated 8-week format enables students to progress through the program quicker than on a traditional semester schedule.

Free Online Tutoring

Students in eMajor courses have free access to Tutor.com. Students also have access to an embedded librarian who can assist with citation, research, or any library-related questions.

Credit for Prior Learning

The BS in Organizational Leadership degree is structured to allow students to earn as much academic credit as possible for prior learning. CPL-eligible courses and competency checklists are available to ease the process for students.

Job Market Alignment

eMajor programs are established based on feedback from Georgia's top employers. You can feel confident that eMajor degrees are directly aligned with job market needs.

Personal Success Coach

eMajor courses have the additional support of USG eCampus Student Success Team to provide encouragement and connect students to available support services throughout the semester.
