Thank you for your interest in the University of West Georgia (UWG). We are always pleased to be of assistance to international students. UWG offers a wide variety of cultural experiences, academic opportunities and services.

Enclosed are the application forms for international students. Please complete and return them with your \$30.00 (U.S. currency), non-refundable application fee at your earliest convenience. In addition, several other items are needed to determine your eligibility for admission. These include official TOEFL scores, if English is not your native language (minimum 193 computer-based/69-70 IBT/523 paper-based*), official SAT scores (minimum 430 verbal* & 410 math*) or ACT scores (minimum 17 English* & 17 math*), and official secondary records and/or college transcripts, if applicable. Please see "Application Instructions" for more details.

Enclosed is a financial affidavit. It must be accurately completed and returned to this office. Prior to acceptance, an international applicant's financial solvency must be demonstrated for the first year. This amount may vary from semester to semester due to increase in fees or living expenses. New international students are not allowed to work off-campus while attending on an F-1 Visa and each student must be able to fully fund all expenses incurred by his/her stay in the country. UWG is a publicly supported institution and does not have funds appropriated for use as scholarships or loans for incoming international students.

International students may be eligible for scholarships through various academic departments after they have enrolled in courses at UWG. In addition, UWG offers a waiver for the out-of-state portion of tuition if an applicant meets certain academic criteria, and if a waiver is available. There are a limited number of waivers; therefore, not all eligible applicants will receive a waiver. Waivers will not be awarded until an applicant is accepted for admission and has provided proof of financial solvency. It is critical to apply early and submit application materials as soon as possible. In addition, international students must maintain a full course load of studies (12 semester hours or more each term) while attending on an F-1 Visa.

Once again, thank you for your interest. If we can be of further assistance, please do not hesitate to contact the Undergraduate Admissions office at 678-839-5600 or e-mail us at admiss@westga.edu.
