

# Curriculum Vitae

Name: **Abdollah Khodkar, Associate Professor of Mathematics**

Address for correspondence: Department of Mathematics, University of West Georgia, Carrollton, GA 30118

Phone: (W) 678-839-4126, (C) 404-384-6131

Fax: 678-839-6490

Email Address: [akhodkar@westga.edu](mailto:akhodkar@westga.edu)

Home Page: [www.westga.edu/~akhodkar](http://www.westga.edu/~akhodkar)

## Academic Achievement

- Ph.D. in Mathematics (Combinatorics), The University of Queensland, Australia, 1994.  
Research Project: Balanced block designs and various properties.
- M.Sc. in Mathematics, Sharif University of Technology, Iran, 1988.  
Research Project: Partial Differential Equations.
- B.Sc. in Applied Mathematics, Sharif University of Technology, Iran, 1986.  
Final Project: Numerical solutions for some Differential Equations.

## Employment History

- Associate Professor: Department of Mathematics, University of West Georgia, August 2006 – Present.
- Assistant Professor: Department of Mathematics, University of West Georgia, August 2004 – August 2006.
- Research Fellow Level B: Department of Mathematics, The University of Queensland, January 2002 – August 2004.
- Lecturer Level B: Department of Mathematics, The University of Queensland, January 2002 – December 2002, July 2000 – July 2001.
- Visiting Professor: Department of Mathematics, Illinois State University, August 2001 – December 2001.
- Lecturer Level A: Department of Mathematics, The University of Queensland, January 2000 – July 2000.
- Research Officer Level A: Department of Mathematics, The University of Queensland, July 1995 – December 1999.
- Senior Research Assistant/Computer Programmer: Information Security Research Center within the Faculty of Information Technology at Queensland University of Technology, Australia, July 1994 – July 1995.
- Research Assistant: Department of Mathematics, The University of Queensland, December 1993 – July 1994.

- Academic Visitor: Department of Mathematics, The University of Queensland, January 1991 – January 1992.
- Part-Time Lecturer: Faculty of Environmental Sciences, Griffith University, January 2000 – July 2000, Department of Mathematics, The University of Queensland, July 1999 – December 2000, February 1997 – July 1997, Sharif University of Technology (Iran), January 1988 – January 1991.
- Tutorial Assistant: Department of Mathematics, Queensland University of Technology, February 1995 – July 1995, Department of Mathematics, The University of Queensland, January 1993 – December 1993.
- Tutor: Sharif University of Technology (Iran), January 1985 – January 1988.
- Teacher: Farzin High School (Iran), September 1980 – January 1985.

### Courses Taught

- **Graduate Courses:** Linear Algebra II, Algebra II, Coding Theory and Cryptography III, Geometries and Designs and Discrete Mathematics.
- **Undergraduate Courses:** Quantitative Skills and Reasoning, College Algebra, Survey of Calculus, Calculus I, II, III, A Transition to Advance Mathematics, Mathematics for the Environment, Differential Equations, Set Theory, Number Theory, Linear Algebra I, Algebra I, and Graph Theory.

### Graduate Student Research Direction

- Co-advisor: Dr. Nicholas J. Cavenagh (supervisor: Dr D. Donovan), Department of Mathematics, the University of Queensland (2001-2004). This supervision has proved extremely productive with four joint papers.
- Co-advisor: Dr. Mahmoud Sheikholeslami (supervisor: Dr M.A. Shahabi), Department of Mathematics, University of Azarbaijan, Iran (2000-2003). This supervision has led to three joint publications.
- Co-advisor: Mr. Carlo Hamalainen (supervisor: Dr D. Donovan), Department of Mathematics, the University of Queensland (2003-2004).

### Undergraduate Student Research Direction

- Research Experiences for Undergraduates (REU) at UWG, 2007–2009.
- Joshua Ramsey: GEMS Summer 2008 Research Fellowship Program, UWG.
- Taeler Porter and Scott Gildemeyer: GEMS Summer 2007 Research Fellowship Program, UWG.
- Staci Sisk: GEMS Summer 2006 Research Fellowship Program, UWG.

## Other Professional Experience

- A reviewer for Mathematical Reviews.
- Nominated as an “Expert of International Standing” by Australian Research Council (ARC): Assessor for Discovery Projects Scheme Grant Applications.
- Organizing Conferences:
  - A member of organizing committee of the Integer Conference October 24-27, 2007 and the Integer Conference October 12-15, 2005, University of West Georgia Carrollton, Georgia.
  - Secretary of the Organizing Committee of the 13th Australasian Workshop on Combinatorial Algorithms (AWOCA2002). Member of the Program Committee and a co-editor of the Proceedings of AWOCA. Co-editor of the Proceedings of the 37th Annual Iranian Mathematics Conference (AIMC37).
- Invited Speaker:
  - Workshop on “Graph Decompositions and related trade structures”, The University of Queensland, Australia (July 2007).
  - Invited Speaker: The 37th Annual Iranian Mathematics Conference, Azarbaijan University of Tarbiat Moalem (September 2006).
  - Invited Lecturer: Ramkhamheang University (Thailand), March 1999 – April 1999.
- Referee for Journals: Journal of Combinatorial Theory Ser A; Discrete Mathematics; Journal of Combinatorial Designs; Graphs and Combinatorics; Discrete Applied Mathematics; The International Journal of Mathematics and Computer Science; Utilitas Mathematica; Ars Combinatoria; Australasian Journal of Combinatorics; Journal of Statistical Planning and Inference; Integers: Electronic Journal of Combinatorial Number Theory; Global Journal of Pure and Applied Mathematics; Bulletin of the Institute of Combinatorics and its Applications; Discussiones Mathematicae Graph Theory; Iranian Journal of Science and Technology.
- Associate Editor for International Journal of Applied Mathematics and Statistics (IJAMAS) (2005-2006).

## Service Committees

### Departmental Service

- Center for Applied Mathematics and Science (2009-2010 member)
- Ad Hoc Committee for Standardized Finals (2009-2010 member)
- Department Advisory Committee (2008-2010 member)
- Scholarship Committee (2005-2006, 2008-2010 member), (2007-2008 Chair)

- Department Tenure and Promotion Committee (2006-2007, 2009-2010 member, 2008-2009 Chair)
- Assessment Committee (2006-2010 Chair)
- Graduate Committee (2004-2010 member)
- Seminar/Colloquium Committee (2005-2008 member)
- Search Committee (2004-2006 member)

### University Service

- UWG Post-Tenure Review Appeals (2008-2009 member)
- Faculty Tenure and Promotion Committee (2006-2008, 2009-2010 member)
- Faculty Advisory Committee (2006-2007-2008 member)
- Writing Across the Curriculum Committee (2005-2008 member)
- Student Advisor: College Student Inventory, CSI (2006-2007)
- Early Transfer Orientation for Spring Semester 2005, member
- New Freshmen Orientation, Fall 2005, 2006
- Liaison to Other Sciences (2005-2006)

### Membership

- The Institute of Combinatorics and its Applications
- American Mathematical Society
- Australian Mathematical Society
- Iranian Mathematical Society

### Computing Experience

Very good knowledge of: C Language, Fortran 90, Pascal, PL1, COBOL, Latex, Matlab, Mathematica, Maple, Magma, CPLEX, Otter.

### Awards

- **NSF REU Grant**, “Problems in Combinatorics and Graph Theory”, 2007-2009, Fund \$216,422.
- Faculty Research Grant: University of West Georgia, July 2005, July 2007.
- Overseas Postgraduate Research Scholarship for PhD in Combinatorics from Australian government, January 1992-1994.
- Departmental Scholarship: Department of Mathematics, the University of Queensland, 1992-1994.

- University Scholarship: Sharif University of Technology, Iran, 1986-1988.

## Presentations

I have presented papers at the international conferences and research centers including: Mathematical Abundance: Designs, Graphs and Number Theory, Illinois State University April 2008; 21st British Combinatorial Conference, University of Reading July 2007; Workshop on Combinatorial Trades, The University of Queensland, Australia July 2007; The 38th South East Conference on Combinatorics, Graph Theory and Computing, Florida (2007); The 37th Annual Iranian Mathematics Conference, Tabriz (2006); Mid-West Graph Theory Conference (1997, 2001, 2005); American Mathematical Society (2005); Australasian Workshop on Combinatorial Algorithms (2002); Australasian Conference on Combinatorial Mathematics and Combinatorial Computing (1993, 1996, 1998, 1999, 2000).

I have also presented papers at different universities including:

**USA:** Illinois State University (1997, 2001, 2003, 2006, 2008), University of Illinois (1997, 2003), Auburn University (1997, 2006, 2008, 2009), University of West Georgia (2004, 2005)

**Australia:** The University of Queensland (1995, 1999, 2001, 2007)

**Iran:** Sharif University of Technology (1997, 2001, 2003, 2005, 2006, 2007), University of Mazandaran (2005), Azarbaijan University of Tarbiat Moallem (2005, 2006, 2007), Tabriz University (2005)

**Canada:** Defence Center at the University of Manitoba (1997), the University of Manitoba (1997)

**Thailand:** Ramkhamheang University (1999)

## Referees

- Professor Charles Curtis Lindner: Department of Discrete and Statistical Sciences, Auburn University, Auburn, Alabama 36849-5307,  
Email Address: `lindncc@mail.auburn.edu`  
Phone: 1-334-844-3747, Fax: 1-334-844-3611.
- Professor John van Rees: Department of Computer Science, University of Manitoba, Winnipeg, Manitoba Canada R3T 2N2  
Email address: `vanrees@cs.umanitoba.ca`  
Phone: 1-204-474-8683, Fax: 1-204-474-7609.
- Professor Chris Rodger: Department of Discrete, and Statistical Sciences, Auburn University, Auburn, Alabama 36849-5307, USA.  
Email Address: `rodgeci@mail.auburn.edu`  
Phone: 1-334-844-3746, Fax: 1-334-844-3611.
- Dr Elizabeth J. Billington: Department of Mathematics, The University of Queensland, Brisbane, QLD. 4072, Australia.  
Email Address: `ejb@maths.uq.edu.au`  
Phone: 617-33652313, Fax: 617-33651477.
- Dr Diane M. Donovan: Department of Mathematics, The University of Queensland, Brisbane, QLD. 4072, Australia.  
Email Address: `dmd@maths.uq.edu.au`, Phone: 617-33651354, Fax: 617-33651477.
