Area F (ART FOUNDATIONS)

FOUNDATIONS ADVISEMENT GUIDELINES

1. 2D and 3D Composition should be taken in separate back-to-back semesters during the freshmen year. The order that the two classes are taken are dependent on the students schedule however, it is recommended that students take 2D Composition first.

2. Beginning Drawing is a prerequisite for Life Drawing. They should not be taken during the same semester. Beginning Drawing should be taken first.

3. History of Western Art I and II are interchangeable and the order in which they are taken is dependent on the student's schedule. However, it is recommended that students take Western Art I first if possible.

4. Our B.F.A. program is based on 132 credit hours. Ideally it is a five year curriculum plan but it is possible to graduate in four years if students choose to take summer courses. (15 credit hours each fall and spring semester plus two classes each over the course of two separate summer sessions gives the student the 132 hours needed to graduate in four years.)

5. Students are encouraged to take summer classes regardless if they are on a "four or five year plan".
