VIII. Course Descriptions:

Art Ed Internship/Seminar (ART 4985-04) focuses on providing art education interns with the opportunity to discuss and share their thoughts, ideas, problems, successes, and concerns about their student teaching internships.

Course Requirements:

1. Attendance and Punctuality Policy

Students are expected to come to every class meeting.

2. Participation

All students are expected to contribute intelligently to discussions related to their internship experiences

3. Assessment and Grading

Assessment and grading will be determined by the student's willingness to contribute to the discussions and to assist in the evaluation of both their experiences and those of their fellow interns.

IX. Relationship of course goals to program goals:

This course is intended to provide excellence in the comprehensive preparation of professional art educators who can positively impact school improvement through the enhancement of their discipline content and pedagogical knowledge. The aim is to provide opportunities and experiences for pre-service art educators to grow and develop in order to broaden their knowledge and expand their instructional capabilities.

X. General Topics:

The topics to be addressed relate to those concerns and issues raised during discussion.

XI. Dates for tests, other assessment:

Assessment and evaluation will be conducted on an on-going basis, with grades being given at the end of the course.
