1. Our last regular class is Monday, April 23.

2. The final exam is the same format and length as the other tests. It covers the Assignment Sheets for Chapters 25, 26, 27A, and the excerpts from 27B, 28, and 29. If I omit anything from those two Assignment Sheets, I shall add that information to this sheet on the afternoon of Monday, April 23.

3. There will be a review session in our classroom on Wednesday, April 25, from 10:10 to 12:10. I’ll be at school at some point each day the week of April 23 if you need to contact me.

4. I’ll accept the essay until 12:00 on Wednesday, April 25. If you turn it in on that day, bring it to our regular classroom while the review session is going on even if you do not plan to stay. There will be folders on the table for each class.

5. The exam for the 10:10 class is on Friday, May 4, from 8:00AM to 10:00 and the exam for the 11:15 class is on Monday, April 30, from 11:00 to 1:00. You may not arrive more than a half hour late. Both exams are in our classroom.

6. You may hand in any late comment sheets, extra credit materials, redone tests, or anything else you have for me on the day of the final.

7. You can know your semester grade by going to Banner after I have entered the grades. At the latest, this will be by the morning of Monday, May 7. I shall aim to do them sooner for the 11:00 class, but I am not going to make any promises about this.

8. Even if I have finished grading your essays by the time of the final, I shall not be handing them back or telling you your grade because sometimes, when I am doing the semester grades, I rethink how I graded the essays. If you want to know your grade on the essay and/or the last test, you may email me after I have entered the semester grades. At that point, I’ll put the grades inside a folded and taped piece of paper with your name on it and stick that in the box by my office door (1320 TLC). If you want the tests and/or essays back with comments on them, you need to give me a week and then make an appointment to get them from me in person. Be aware that I do not get email anywhere except in my office and I will not always be in town once school is out. But once I have answered your email, you can know that I have done what you’ve asked me to do.

9. Best of luck in this last stage of the semester. I have enjoyed both classes and hope you all have a terrific summer. If I can ever do anything for you in the future, just let me know.
