B. Guidelines for the annual review of graduate faculty. Dr. Jenkins asked the committee to review a proposal for the regular review of graduate faculty. The guidelines were approved by COGS in 1994 and then, two years later, disapproved by the committee. Dean Jenkins stated that SACS requires the regular review of graduate faculty and that we need to have a process in place as soon as possible. He asked COGS’ members to obtain feedback from their departments and come prepared to discuss the proposal at the July COGS meeting.

The meeting was adjourned. The Ed.S. Appeals committee met afterward.
