

## Campus Directions to the Learning Festival: For Musicians requiring Loading Doc

To use the loading dock, a remote control is needed to open the parking faculty/staff parking gate. Please use phone numbers below, at least one hour before arriving. On the day of the event, no voice messages please.

Off Maple Street, enter the campus through the West Entrance (West Georgia Drive). At the first intersection, turn right onto Roberts Drive, then left into the Faculty/Staff Parking Lot. The loading dock is on your left, attached to the Education Center (location of Learning Festival).

If loading dock is not required, at the first intersection (West Georgia Drive and Roberts Drive), turn left to park. Across the street is the Education Center, the building/location for the Learning Festival.
