

## SELECTIVE SERVICE REQUIREMENT

We were unable to confirm your registration status with Selective Service. To receive federal student aid, a male who is required to register with Selective Service must verify that he is registered before aid can be awarded.

If you have not yet registered and you are between the ages of 18 and 25, you must obtain and complete a Selective Service registration form at your local post office or register at [www.sss.gov](http://www.sss.gov).

You may request a confirmation number or resolve any discrepancies regarding your registration status by contacting Selective Service at 1-847-688-6888. You may also confirm your registration status at [www.sss.gov](http://www.sss.gov).

Please complete and return to the Financial Aid Office. If you have a copy of your web confirmation, you may return that in place of this form.
