2009-2010 HEALTH INSURANCE BENEFITS CHANGES

MANDATORY PLANS – Undergraduate & Graduate)

1. Increase in Out of Pocket Maximum to \$10,000.00
Pearce & Pearce, Inc. has set up a Medical Management Team that will assist with any claims that pay more than \$25,000.00. We will work with students and providers. A very small percentage of students ever reach this amount in claims, but now they will have help. (Please remember that when the claims office pays \$25,000.00, the claim amount has already been adjusted. This means the charge for the claim was much greater.) The University of West Georgia will be notified of any claims exceeding this amount.
2. Dependent Benefit lowered to \$50,000.00 per year

VOLUNTARY PLAN – NO CHANGES TO THE BENEFITS.

For more information about student health insurance, please visit online at www.usg.edu/student_affairs/faq/health/ or call Pearce & Pearce, Inc. at 1-800-222-6491.
