THE IMPORTANCE OF ADMISSION TEST SCORES

All individuals applying for admissions to graduate programs at the University of West Georgia must take the appropriate test. For graduate programs in the arts & humanities, prospective students must submit an official GRE score.

REGULAR ADMISSION

- 2.5 grade point average on all undergraduate work
- A GRE score of at least **800** (minimum of **400** Verbal score and a minimum of **400** Quantitative score). The Department of History will accept an official GRE test score of at least **800** (minimum **400** Verbal score and minimum **400** Quantitative or Analytical score - whichever score is higher of the two sections on scores submitted before October 2002). Test scores submitted after October 2002 require Verbal, Quantitative, and GRE Analytical Writing test score of 3.5 for all programs.
- **The Department of Music does not require test scores.**

*** These criteria represent minimal admissions standards. Specific graduate programs may establish higher standards if they so choose. Therefore, meeting minimal grade point average and test score criteria are no guarantee for admission.**

PROVISIONAL ADMISSION

Applicants applying to a masters degree program in the arts/humanities, sciences, social sciences, or education with less than the required GPA and GRE scores may be considered for provisional admission. They must submit official GRE test scores and must also have a grade point average of at least 2.2. In no event may the grade point average be less than 2.2. Programs may have higher grade point average and/or test score requirements. Applicants may also be admitted provisionally for reasons other than, or in addition to, grade point average and GRE test scores. **Meeting departmental test score and grade point average requirements is no guarantee of admission. Provisional admission is ultimately subject to departmental approval and the Dean of the Graduate School.** These criteria do not apply to applicants to Education Specialists or doctoral programs.

ADMISSION TEST INFORMATION

Computer-based testing for the Graduate Record Examination (GRE) is available throughout the year by calling 1-800-GRE-CALL or visiting online at www.gre.org/gentest.html. If you need more information, please call the Graduate School Office at 678-839-6419.

IMPORTANT NOTICE

As your admissions letter states, no more than 9 hours taken as a post baccalaureate or non-degree student may subsequently be applied to a degree. In most situations, students will not be allowed to take the full 9 hours; therefore, students attempting to gain admittance to a degree program should make every effort to take the appropriate admissions test as soon as possible.
