

APPLICATION FOR MILLER ANALOGIES TEST BASIC INFORMATION AND REMINDERS

In order to register for the Miller Analogies Test to be administered at University of West Georgia, please note the following:

- The fee for the MAT is \$75 and MUST accompany the application. The fee is payable by check or money order (payable to University of West Georgia). At this time, paying by credit card is NOT an option.
- Seating at each administration is limited to 10, and once the session has been filled, no further reservations will be accepted. There is no Standby or Walk-in option available; registrations must be received 24 hours before the requested test date.
- The MAT fee of \$75 is non-transferable; it applies only to the testing date and time which were originally selected. A partial refund of \$30 will be processed if an examinee is absent from the MAT, regardless of the reason. No partial refund will be processed until after the test date has occurred and the test payment (if paying by check) has cleared.
- Once you have submitted your application form and fee, you will receive a confirmation letter reminding you where and when to report and what materials to bring with you.
- Each MAT examinee MUST present two forms of non-expired positive identification at the testing site. One of these forms must include a photograph and signature (such as a driver's license, passport, government ID, or school ID); the other may be a credit card, utility bill, or library card with your name exactly as it appears on the primary ID. **Please be sure that you register under your legal name and that your photo ID contains the exact same name. Marriage licenses, divorce decrees, and other paperwork cannot be accepted as proof of your legal name.**
- If you have taken the MAT within the last twelve months, you MUST present your Retest Admission Ticket. This insures that you are not given the same form of the test you have previously taken; repeating the same form within a twelve month period invalidates the test score. The Retest Admission Ticket was sent to you at the same time you received your personal score report. If you do not have your Retest Admission Ticket, information on how to receive another one is available on the MAT website (www.milleranalogies.com).
- An online practice test found on the MAT website (www.milleranalogies.com) is available for a nominal fee; this website also contains valuable information such as test-taking advice with regard to analogies.
- Questions regarding the administration of the Miller Analogies Test at West Georgia should be directed to the Testing Office: 678-839-6435; the Testing Office is NOT in a position to answer questions regarding the scores required to be admitted into various graduate programs.
- The MAT application is on the following page. Be sure to follow the directions carefully and include all the information requested.
