

SCIENCE ^{still} ROCKS!

Winter Saturday Science at West GYSTC – in the UWG Education Center www.westgystc.com

December 3, 2011 10am-12:30pm

Flight! – Come to the West Georgia campus and ride the one man hover craft. Discover what the forces are that make airplanes fly. Take home a balsa wood airplane of your own to keep. Grades 3-5 \$25

February 11, 2012 10am-12:30pm

Be a Biologist! –What do cells look like? What do animals eat? Find out about the biology behind animals and plants and use a microscope to see their cells. Each student will receive a small critter container to take home. Grades 3-5 \$25

March 3, 2012 10am-12:30pm

Water Cycle Mania!– Make a “real” cloud in a jar. See the water cycle in action and take home your water cycle model. Find out about the science behind bubbles, and have a biggest bubble contest. Grades 2-5 \$25

Saturday Science is held in Science Lab room 119 in the Education Center. Register soon! Contact srich@westga.edu to get more information. Register before Nov.. 15 and get all three for a total of \$69.
