

## Teaching Experience

Jeong-Hyun Kang  
jkang@westga.edu

**Assistant Professor**, University of West Georgia, Fall 2006 – present

Number Theory, Calculus III, Calculus I, Business Calculus, College Algebra

**Postdoctoral Fellow**, University of Central Florida, Fall 2004 – Spring 2006

- Instructor for the following courses with full responsibility:
  - Graduate course on *Abstract Algebra*
  - Advanced undergraduate course on *Number Theory*
  - *Calculus with Analytic Geometry I*

**Teaching Assistant**, University of Illinois at Urbana-Champaign

Fall 1997 - Spring 2004, including summer support

- Instructor for the following courses with full responsibility including lectures, review sessions, creating exams, and evaluating student performance:
  - *Multivariable Calculus* (four semesters)
  - *Introductory Linear Algebra* (one semester)
  - *Second course in Calculus and Analytic Geometry* (three semesters)
  - *Calculus for Social Scientists* (one semester)

In addition to lectures, I also led a group discussion section.
- TA for the following advanced undergraduate courses with various responsibilities, including grading, office hours, and occasional lectures:
  - *Linear Algebra*
  - *Probability*
  - *Combinatorics*
  - *Graph Theory*
- Co-author of proposal for graduate course on *Discrete and Convex Geometry* in May 2003.
- Nominee for the department *Teaching Award* in Spring 2004.
