SPOUSE RECOGNITION

A recognition program for a deserving spouse in your Lions Club or associated with your local Lions Club was established in 2005. Each Lions Club in District 18-E may nominate a spouse in their Club or who is associated with your Club in a project or projects, devoting time and effort for fund raising or community improvement.

A spouse in your Club who may or may not be a Lion but has given of themselves beyond the call of duty, such as assisting in projects in your club or in the community that entails work through Lionism. Look at this recognition as being special; you may have such spouse who is deserving and has contributed considerably over the past year or years, maybe sometimes without a "Thank You" for the extra effort.

We need cooperation from each Club to make it a success and we are asking each club to send a nomination letter with name, address and information about the individual with some detailed information of what they have given to your club.

Send your nomination letter to the District Governor and Committee Chair not later than 15 January of each year for acceptance. The District Governor will make the presentation at the Annual District Convention. Should the selected nominee or their designated recipient be unable to attend the Convention, the District Governor or his designee will make presentation at a club meeting or at another appropriate time and place.

The incoming District Governor will appoint one member from each Region as the Spouse Recognition Committee and the Committee Chair will be selected by the District Governor.
