Registration: Registration is free of charge (note: this is a change from earlier announcements). However, all participants must register in advance, due to limited seating and so that we will be able to plan appropriately for the conference. To register, simply send an e-mail message to mweldon@westga.edu, requesting you be registered for the conference. You will receive a reply to your message; if the reply states that you are registered, then this confirms your registration (we hope to be able to accommodate all who wish to attend).

Location, Travel, Accomodations: The conference will be held on the campus of the University of West Georgia in Carrollton. The city of Carrollton is about 45 miles west of Atlanta. Those coming by air should fly into Atlanta. Directions, a link to campus and local maps, and parking information will be sent to all who register. A block of rooms has been set aside at a special reduced rate of \$61.95 at the Holiday Inn Express in Carrollton. Please let us know as soon as possible if you wish to be counted in this block. In order to obtain the reduced rate, **you must make your own reservations directly with the hotel (telephone: (770)-838-0508), and say you are with "The Math Conference."** There are several other nearby hotels including: Quality Inn (877-434-6835) and Jameson Inn (770-834-2600).

Banquet: On the evening of Saturday, October 29, there will be a banquet in honor of Ron

Graham. The banquet will be held at the Oak Mountain Country Club Restaurant, and will include a buffet-style meal. It will feature entertainment by the “Dazzling Mills Family”, a professional highly-acclaimed juggling troupe. The cost of this banquet is \$15. **If you plan to attend the banquet, please r.s.v.p. at mweldon@westga.edu, by Wednesday, October 20th.** Payment should be made in cash upon checking in at the conference.

Ride sharing: If you are either seeking a ride, or are willing to share a ride, to and/or from the airport, please contact sadams@westga.edu (Sonya Adams) for assistance.

Proceedings: Papers presented at the conference will be considered for publication in a special issue of *Integers:Electronic Journal of Combinatorial Number Theory*. The Proceedings’ papers will be handled according to the journal’s usual refereeing process.

Supporting Organizations: The National Science Foundation, The Number Theory Foundation, DIMATIA, and the University of West Georgia.

Organizing Committee: Bruce Landman, Melvyn Nathanson, Jarik Nesetril, Richard Nowakowski, Carl Pomerance

Hosting Committee: Bruce Landman, Micky Weldon, David Leach, Sonya Adams, Amin Boumenir, Abdollah Khodkar, Vu Tuan, Rui Xu
