

Second Announcement - August 9, 2011

INTEGERS CONFERENCE 2011

October 26-29, 2011

University of West Georgia
Carrollton, GA

The Editors of *Integers* are pleased to announce the **Integers Conference 2011**. The Integers conferences are international conferences in combinatorial number theory, held for the purpose of bringing together mathematicians, students, and others interested in combinatorics and number theory.

Plenary Speakers:

- Ken Ono, Emory University
- Carla Savage, North Carolina State University
- Laszlo Szekely, University of South Carolina
- Frank Thorne, University of South Carolina
- Julia Wolf, Ecole Polytechnique

Invited Speakers: In addition to the plenary talks, there will be many additional talks. We welcome talks from any of the mathematical subject areas covered by the journal *Integers* (see website <http://www.integers-ejcnt.org> for a list of the subject classifications). All talks, excluding the Plenary talks, will be scheduled for 20-minute time slots. Those wishing to present a talk at the conference should follow these steps:

- Send an email message to Kristi Hazzard (khazzard@westga.edu) indicating your request to give a talk (do so by August 20, 2011). Soon after submitting your request, you will be notified concerning the approval of your talk.
- Send the title and abstract of your talk as a .tex file to cleach@westga.edu by October 1, 2011

When submitting a request to present a talk, include any necessary restrictions on the scheduling of your talk, and we will do our best to satisfy such requests. As there is a ceiling on the number of talks we are able to accommodate, we cannot guarantee that all requests to present talks will be honored.

Partial List of Speakers:

Armen Bagdasaryan	William Banks	Roberto Corcino
Mohamed El Bachraoui	Aviezri Fraenkel	Shanzhen Gao
Alfred Geroldinger	Gary Greaves	Katalin Gyarmati
Neil Hindman	Marie Jameson	William Keith
Zachary Kent	Urban Larsson	Joon Yop Lee
Florian Luca	Toufik Mansour	Mojtaba Moniri
Rishi Nath	Melvyn Nathanson	Richard Nowakowski
Robert Oliver	Geremias Polanco	Carl Pomerance
Aaron Robertson	James Sellers	Mark Shattuck
Lola Thompson	Enrique Trevino	Amitabha Tripathi
Joseph Vandehey	Carl Yerger	

Registration: Registration fee is \$30, in the form of cash or check, to be paid at the conference. Registration is free for all students. So that we will be able to plan appropriately for the conference, please send an e-mail, in advance, to khazzard@westga.edu stating that you plan to attend, and include your full name and affiliation.

Supporting Organization: The Number Theory Foundation.

Financial Support: Limited financial support is available. Send requests for support to integers@westga.edu. Student applications for support should include a brief letter of support from their advisors. See **Deadlines** below.

Location, Travel, Lodging: The conference will be held on the campus of the University of West Georgia in Carrollton. The city of Carrollton is about 45 miles west of Atlanta. Those coming by air should fly into Atlanta. Directions, maps of the campus, and parking information will be sent to all who notify us in advance of their plans to attend the conference. Participants must make their own hotel reservations. A block of rooms has been set aside for the conference at the Hampton Inn (770-838-7862) at the reduced rate of \$89, and another block of rooms at the Holiday Inn Express (770-838-0508) at the reduced rate of \$72; both hotels are in Carrollton. In order to obtain the reduced rate, you must call

the hotel directly and state that you are with “The Integers Conference at the University of West Georgia.” Please note that for the Hampton Inn, the rooms will be held for the conference only through October 2, and for the Holiday Inn only through October 9. There are several other nearby hotels including: Jameson Inn (770-834-2600) and Econolodge and Suites (770-832-2611).

Proceedings: Papers presented at the conference will be considered for publication in a special issue of *Integers*. The Proceedings’ papers will be handled according to the journal’s usual refereeing process.
