

Mathematics Department Scholarships

David Cooley Scholarship

The scholarship fund was established by Carleton Cooley on behalf of his son David Cooley. The David Cooley Scholarship shall be awarded annually to an outstanding rising senior who is majoring in mathematics with preference for choir members and/or student government members. The total amount generated by this fund is approximately \$500. The recipient is chosen by the Department of Mathematics.

Requirements:

1. An overall GPA of 3.2 or higher;
2. Outstanding senior majoring in mathematics with preference for choir members and/or student government members;
3. Current enrollment at UWG.
