

# Mathematics Department Scholarships

## Dr. Georgia Martin Scholarship

The scholarship fund was established by Geneva Martin on behalf of her mother, Dr. Georgia Martin, who was Associate Dean of Student Services for West Georgia College from 1966 until her retirement in 1979. The Dr. Georgia Martin Scholarship shall be awarded annually to an outstanding rising junior or senior who is majoring in mathematics. The total amount generated by this fund is approximately \$1100. The recipient is chosen by the Department of Mathematics.

### Requirements:

1. An overall GPA of 3.2 or higher;
2. Outstanding junior or senior majoring in mathematics;
3. Current enrollment at UWG.
