

# GAMMA CHI CHAPTER ATLANTA, GA

Chi Eta Phi Sorority, Inc., an organization of registered professional nurses and student nurses, was founded October 16, 1932. The chapters are located throughout the United States, the District of Columbia, St. Thomas, Virgin Islands, and the Republic of Liberia in West Africa.

Gamma Chi Chapter was organized at Grady Memorial Hospital in Atlanta, GA on July 21, 1962. It is the twentieth chapter of the currently, more than eighty (80) chapters of Chi Eta Phi Sorority, Inc.

Gamma Chi Chapter was organized as the largest chapter ever chartered, under the leadership of Soror Johnnie Robinson, who has remained an active member to present. The Chapter's highest membership award, "The Johnnie Robinson Soror of the Year Award", is named in her honor and presented to a deserving member each year.

The members of Gamma Chi Chapter are graduate registered professional nurses, who are employed in, or retired from, varied health care positions throughout metropolitan Atlanta.

Gamma Chi Chapter is the only Chapter of the organization with three (3) past Supreme Basileus (National President) of the Organization. They are Sorors Verdelle B. Bellamy, Essie L. Rowser and Catherine W. Binns, all of whom remain active members of the Chapter. The Chapter's highest Scholarship award "The Bellamy, Rowser, Binns Chi Fellows Award", is named in their honor and presented to a deserving student nurse annually.

Gamma Chi Chapter provides scholarships, through its' fundraising efforts, to deserving student nurses each year. The scholarship presentations are made at the awards program held in May during National Nurse's Week.

The Chapter actively supports the purposes, programs and projects of the parent organization through its' participation in community based programs.
