Mountainside Medical Center in Jasper, GA

07/00 to 02/02: Mt. Vernon OB/Gyn, Atlanta, GA
*Full-scope nurse-midwifery services
*Deliveries at Northside Hospital, Atlanta, GA

01/98 to 06/00: Women's Health Associates, Atlanta, GA
*Full-scope nurse-midwifery services
*Continued as Preceptor for nursing students from North Georgia
College of Nursing
*This practice was actually a continuum of the following practice.
The two practices merged for business reasons.

08/92 to 01/98: Dr. Jonathan Ehrlich, MD, PC, Atlanta, GA
*Full-scope nurse-midwifery services in private practice setting
*Initiated Prenatal Classes for our clients
*Began volunteer position as a preceptor for North Georgia College of
Nursing students and nurse-practitioner students (1995)

08/89 to 08/92: United States Air Force, 366 Medical Group, Mountain Home, ID
*Captain

- *Full-scope nurse-midwifery services to active duty Air Force members and their dependents
- *As the first nurse-midwife at this base, responsibilities included developing a positive acceptance of nurse-midwifery
- *60% of my position involved working with the retiree population and providing healthcare for post-menopausal women
- *Instructor for the National Nurse-Practitioner course in Boise, ID
- *Responsible for developing the entertainment for the Surgeon General in January, 1991. Wrote entire script and directed "A Day at the Office" by the "366 MASH Unit", a comedy based on a day's worth of activities at our medical center ;-)

08/84 to 08/89: Crossroads Health Center, Palatine, IL

- *Full-scope nurse-midwifery services in clinic-type setting
- *Primary population was women in their late teens and early 20's

05/83 to 08/84: Cook County Hospital, Chicago, IL

- *Full-scope nurse-midwifery services
- *Appointed to the Teen Focus Program
- *Diverse inner-city population

Licensure:

- *American College of Nurse-Midwives
Member since 1982
- *Sigma Theta Tau
Member since 1981
- *Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN)
Member since 1985
