## ***HOW TO FIND A GPA***

The form is SHATERM or SHASUBJ.

L At any menu, type in SHATERM or SHASUBJ, and press ENTER.

The key area has three parts, ID number, student level, and term. Leave term blank under most circumstances.

L Type in the student's ID number. The student's name should appear beside the ID number and the cursor should automatically jump to level. If not, conduct a search by name. See the handout HOW TO FIND A PERSON.

L Type in US, for undergraduates, or GS for graduates. Use UG or GR for academic history prior to Fall 1998.

L Click in the First Term Attended field, or press PAGE-DOWN (NEXT-BLOCK).

You should be in the bottom block.

It shows the first and last term of attendance (not counting current term) on the upper left side of the block.

Academic standing is in the upper right side of the block.

There are three lines of GPA in the lower right side. The first line is GPA for courses taken at West Georgia. The middle is transfer GPA, if any. The bottom line is combined GPA.

L Click the Exit icon or the Rollback (to choose another student) icon on the icon menu bar.
