CHECKLIST FOR CRIMINOLOGY MAJORS

_____ Complete the Core Curriculum Areas A-E with a minimum 2.5 GPA. Copies of the requirements are attached and they are also available on the web, at the Excel Center, from the back of the course bulletin each semester, and from the catalog. Be sure you have passed the Regents test before or while taking ENLG 1102.

_____ When you are at or very near the end of your Core Curriculum, make an appointment to talk to a Criminology faculty advisor and complete necessary forms to declare a Criminology major. See the Secretary in the Department and ask to be assigned an advisor.

_____ Complete the major course requirements (see attached). If you are having difficulties completing these requirements because of scheduling or other problems, discuss that with your advisor and ask about possible substitutions. Substitutions must be with good cause and reasonable. Substitutions must also be approved by your advisor and the Department Chair. Upper division supporting courses (9 hours) need to be courses from other disciplines that are relevant to your area of interest and need to be approved by your advisor. Upper division Criminology courses (12 hours) can be chosen to provide a concentration in a particular area (law enforcement, corrections, juvenile justice) if you like. Discuss that with your advisor if that is your goal.

_____ Complete 2 WAC courses. One must be in the major and the other can be in the major or in another discipline. The Criminology Capstone course, required for all majors, is a WAC course, so you only need to choose one more.

NOTE: Each semester during advising time, make an appointment to see your advisor. Be prepared when you go for your advising appointment.

- Look at the bulletin ahead of time and have an idea of the courses you want to take.
- Update your major course requirements sheet each semester so you can keep track of what courses you have taken and what courses you still need.
- If you are unable to register for a course after you and your advisor have agreed on what you should take and your advisor has signed your registration form, go back and discuss other options with your advisor.

DO NOT JUST ARBITRARILY REGISTER FOR COURSES WITHOUT SEEING AN ADVISOR AND LATER GET UPSET WITH YOUR ADVISOR AND/OR REGISTRAR IF THOSE COURSES DO NOT MEET ANY OF YOUR REQUIREMENTS.

_____ When you reach Senior status, go to the Registrar's Office and request a Senior Evaluation.

_____ The next time you seek advising after getting your Senior Evaluation, take it with you to your advisor and have him/her check over it with you to be sure there are no errors.

_____ Apply for graduation at the beginning of the semester prior to the semester in which you plan to graduate.

_____ Check with the bookstore at the beginning of the semester you plan to graduate to order invitations, cap, gown, etc.

_____ GRADUATE!!!

Two-Year Plan

The two-year plan assumes successful completion of all lower division core courses A-F. The Two-Year Plan is designed only as a guide. It does not guarantee; 1) that all courses listed will be offered during a given semester, or 2) if they are offered that the scheduling will not conflict. Estimated time of completion is based on 15 hour semesters, with no summer classes. A change in hours or courses taken during the summer will either reduce (taking 18 hrs. or summers) or extend (taking less than 15 hrs.) the time needed.
