

### Four-Year Plan

The Four-Year Plan is designed only as a guide. It does not guarantee; 1) that all courses listed will be offered during a given semester, or 2) if they are offered that the scheduling will not conflict. Estimated time of completion is based on 15 hour semesters, with no summer classes. A change in hours or courses taken during the summer will either reduce (taking 18 hrs. or summers) or extend (taking less than 15 hrs.) the time needed.
