Friends of Theatre New Talent Award
Scholarship Application
(Please type)

The Friends of Theatre New Talent Award is given to incoming Freshman Theatre Major(s) at the University of West Georgia. This award is the result of the strong and continual community support for the West Georgia Theatre Company over the past ten years. Contributions came in the form of fund raising donations, ticket sales from the outdoor drama, The Murder of Chief McIntosh, and generous unsolicited donations. With this scholarship, the Department of Mass Communications and Theatre Arts hopes to both honor the community and provide financial support to a deserving new Theatre student.
