GPPA, a district branch of The American Psychiatric Association, is a medical specialty organization of approximately 700 doctors dedicated to providing the highest quality of care for individuals with psychiatric problems and disorders. Our members specialize in the diagnosis and treatment of mental and emotional illnesses, including substance abuse disorders.

**National Suicide Prevention Week**
The Georgia Psychiatric Physicians Association Recognizes [National Suicide Prevention Week](http://www.gapspsychiatry.org/nspw)

**Epilepsy Awareness**
GPPA partners with the [Epilepsy Foundation of Georgia](http://www.epilepsy.org) to raise epilepsy awareness.

**Medicare Part D Update**
Please read this [letter to DB members](http://www.gapspsychiatry.org/mobed) and refer to the [APA’s Medicare Part D site](http://www.ama-assn.org) for more information.

Winter CME Meeting: February 14-16, 2008 - Marriott Century Center - Atlanta, GA. [Online Registration](http://www.gapspsychiatry.org/2008winter)

**For the Public: Referral Service**
GPPA suggests the following ways to locate a psychiatrist in the State of Georgia:

- Consult the American Medical Association’s Doctor Finder service at [http://www.ama-assn.org](http://www.ama-assn.org)
- Complete the [GPPA referral form](http://www.gapspsychiatry.org/mobed). GPPA staff will contact you via e-mail and provide you with referrals.
- Find out if your psychiatrist is Board Certified by accessing the [The Georgia Composite State Board of Medical Examiners](http://www.georgia-medboard.com). Once you have located your provider, you must view the “Physician Profile” to find Board Certification information.

**For Members: Update Member Info**
GPPA members, make sure we have your latest contact information on record. You may update your [membership profile](http://www.gapspsychiatry.org) online.
