Lisa D. Conley, M. Ed.
Organizational Development Manager, Board of Regents of the University System of Georgia

Lisa Conley, Board of Regents University System of Georgia

Lisa Conley is the Organizational Development Manager for the University System of Georgia (USG). Lisa started at the USG in January of 2013, and manages all program logistics for the USG Executive Leadership Institute and designs and facilitates professional development programming for staff at the University System Office. She is also a member of the USG Professional Development Consortium Leadership team. Prior to coming to the BOR, Lisa spent 13 years in administration at Georgia Tech managing programs in several areas including Executive Education, Professional Education, and Alumni Relations. Lisa has also served as an adult education instructor for Literacy Action Incorporated.

Lisa earned a Master of Education degree in Human Resources & Organizational Development from the University of Georgia and a Bachelor of Science in Integrative Studies from Clayton State University.
