GRADUATE CERTIFICATE IN INTEGRATIVE HEALTH

Applicants interested in pursuing a graduate certificate in Integrative Health should submit the following to the appropriate UWG office at least 20 days prior to the beginning of the semester you plan to enroll:

1. Completed application for admission to the UWG Admissions Office
2. Non-refundable $40.00 application fee (one time only). (Send directly to UWG Admission’s Office)
3. One official transcript from each college or university attended (Send directly to UWG Admission’s Office)
4. Satisfactory certificate of immunization (New Students Only) (Send to UWG Health Services Office)
5. 2.5 cumulative undergraduate GPA (4.0 scale).

Answer the following questions:
Tell us about your interests in wanting to obtain a certificate in Integrative Health Studies?
How do you see the value of an Integrative Health Studies certificate in your professional goals?

Mission Statement: The mission of the Integrative Health Studies (IHS) Certification is to facilitate the development of leadership in Integrative Health by providing solid theoretical foundation in integrative health and introduction to the latest practices of integrative health in the U.S.

Integrative Health is one of the fastest growing areas in the health industry. Combining the strengths of conventional and alternative systems of healing, Integrative Health is an exciting field for students preparing for a health care license as well as health care professionals who are already licensed.
