2017 Antarctic Cruise
MS Fram - Hurtigruten
Jan 25 – Feb 11, 2017

Like Nowhere You've Ever Been
No matter how much of the world you've seen, Antarctica is unlike anything you have ever experienced. This isolated continent is enclosed by a huge cold-water current. Here, in the midst of the great white open, you will find nature at its most sublime and haunting. The landscapes have remained as awe-inspiring and unchanged as the day that man first set eyes upon them. It is the coldest, driest, highest and cleanest continent on Earth, and it’s also teeming with life. Join us for this marvelous adventure
