2012 Chapter Honorees

Wyche T. Green III

Wyche T. Green, III ("Tee") is the CEO/President of Greenway, which he is a co-founder. Mr. Green started his career in bank operations in 1994. He joined his father in the start up banking technology company, Greenway Corporation, which was later sold to The BISYS Group, Inc. in 1998.

Mr. Green served as the Senior Vice President of Sales and Marketing for The BISYS Group until his return to the newly founded Greenway Medical Technologies which, was started as part of the first Greenway organization. Mr. Green led Greenway through a successful IPO on Feb 2, 2012 and now sits at the head of the first technology company in Carrollton, GA to be listed on the NYSE.

Mr. Green fosters a corporate culture that stresses social responsibility. The Greenway Community Foundation supports the Carroll County chapter of the Boys & Girls Clubs of Metro Atlanta and has provided ongoing funding, on-site mentoring, and internships toward employment for the nearly 200 youth the local club supports, in addition to the annual "Do Right Scholarship" that aids a senior member of the Boys & Girls Clubs chapter who has shown academic merit, leadership in the community, involvement with extracurricular activities, community service and financial need.
