

wolf pact

What is a pact?

An agreement between individuals or parties.

What is the Wolf Pact?

A commitment by the Richards College of Business family to **honesty, integrity, professionalism**, and accountability for **ethical** behavior, and respect for the rights, differences, and dignity of others.

We are committed to a culture of academic integrity, where members adhere to our shared values in all academic and non-academic endeavors.

Integrity

Do the right thing, even when no one is looking.

Honesty

Be truthfully transparent, build trust.

Professionalism

Act as competent as you are. To be respected, give respect and act respectful.

Ethics

Seek other perspectives and make conscious choices about your actions.

If it's not acceptable in the boardroom, it's not acceptable in the classroom.

Why the Wolf Pact matters:

We believe these values are essential to student development; whether personal, academic, or professional. Most importantly- establishing yourself as an honest person of integrity, who acts in a professional and ethical manner- will be as important as the academic skills you learn in the Richards College of Business.
