Think. Write. Create. westga.edu/coah
The University of West Georgia’s College of Arts and Humanities (COAH) emphasizes academic excellence and community engagement, both on-and-off campus. We pride ourselves on effective and innovative teaching, experiential learning, creative expression, professional development, and genuine curiosity, all which provide our students with a transformative education.

The College of Arts and Humanities offers an exciting, diverse curriculum that allows its students to flourish and become community and world leaders. Here at COAH, we value the past and look forward to the future. Discover what makes UWG’s College of Arts and Humanities the best place to think, write, and create!

**Discover Major Opportunities in COAH**
