These awards are given to an incoming or first year student, either graduate or undergraduate, who exhibits potential for excellence in the piano area as evidenced during the audition and interview, or by exceptional progress during the first year. This student will be enrolled in the Bachelor of Music in Piano Performance with Emphasis in Pedagogy degree, or in the Master of Music in Piano Performance degree. The student will actively participate in piano events such as competitions, and these awards may be renewed annually by maintaining grades of A or upper B in piano courses.
