REQUIREMENTS COMMON TO ALL BACHELOR OF MUSIC DEGREE PROGRAMS

1. All new and transfer students planning to major in Music must audition for the Music faculty on the principal performing instrument or voice and be advised for placement prior to the first term of study.
2. In the first fall semester, students must enroll in courses in Area F of the Core Curriculum: MUSC 1000 Comprehensive Music Laboratory, MUSC 1301 Music Theory I, MUSC 1401 Aural Skills I, MUSC 1501 Keyboard Skills I, MUSC 2600 Principal Applied (see *Course Sequence Outline* for credit hours), and the large ensemble appropriate to the Principal Applied instrument or voice.
3. Students must register for Principal Applied on their principal performing instrument or voice for the specified number of credit hours each term offered until the appropriate number of credits have been earned in MUSC 2600 (lower division) and MUSC 4600 (upper-division). Passage of the level change exam at the end of the fourth semester is prerequisite to advancing to MUSC 4600. A student who fails the exam may register for only one additional semester of MUSC 2600 for one credit hour and retake the exam at the end of that semester. Upon approval by the Principal Applied instructor, a student may perform the exam a third and final time.
4. Students pursuing two degrees must meet all of the requirements for both degree programs.
5. Students must enroll in MUSC 1000 Comprehensive Music Laboratory each semester until they have completed 6 semesters of satisfactory attendance, or until graduation if they have earned an S grade for each semester enrolled. Equivalent credits may be transferred from other institutions at the discretion of the Department Chair.
6. Passing the Keyboard-Skills course sequence (MUSC 1501, 1502, 2501, 2502) constitutes keyboard proficiency. Students must enroll in Keyboard Skills each term offered until successful completion of the sequence. One or more courses in the sequence may receive credit by examination, and must be validated by the course's faculty and processed through the Music Office and the Office of the Registrar.
