UWG College of Arts and Humanities

College Preview Day

April 7, 2018 // 10:00 am – 2:00 pm

Check-in begins at 9:00 am. Lunch and Giveaways provided!
The College of Arts and Humanities Preview Day is your chance to explore the Art, English, Foreign Languages and Literatures, History, Music, Philosophy, and Theatre departments. Meet the Dean, professors, and learn about student research and activities. Get information on majors, admission requirements, financial aid and scholarship opportunities. Tour our campus and facilities with a faculty member or UWG tour guide who can answer your questions from both a student and faculty member's perspective.

Learn about on-campus dining options, residence halls, athletic programs and student activities. Ask your tour guide about UWG's 150+ student organizations. This event is geared towards high school juniors and seniors who want to explore UWG and programs within the College of Arts and Humanities. Those interested in graduate study in English, History, and Music are also invited to attend. Find out how you can make your mark and see why we say that amazing things happen when you Go West.

Register at westga.edu/previewdays.
