Parents will meet up with their students for lunch and for the Tour of the Theatre Facilities. There will always be someone from either Admissions or the Theatre Department to direct parents to the places they need to be. The Department Fair is an opportunity to talk with Theatre faculty and staff and/or to browse other departments to see what opportunities may be available to your student. If this or the sessions scheduled aren't of interest, please feel free to go to the Starbucks in the Ingram Library to have a coffee and relax.

The day will end at approximately 3:30 p.m. If you wish to wait out the Atlanta traffic, there are any number of restaurants on the square in downtown Carrollton that are very good: Plates, The Corner Café, Samba Loca, Loco Mex, The Brown Dog, and Little Hawaiian are some examples.
