

WOLF SCIENCE CAFE

September 10, 2018 (*Monday*)

6:45 p.m. – 8:00 p.m.

The goal of the Wolf Science Café is to provide a platform for sharing current issues in science and to introduce ways that members of Carrollton and the surrounding communities can be better informed. Open to all age groups!

Chlamy ("Green Yeast"): A ROCK STAR Biology Teaching Tool

Dr. Mautusi Mitra
Associate Professor of Biology
UWG College of Science and
Mathematics

Red Rock Room @ Hudson Mills
202 Bradley Street, Carrollton, Georgia
