College of Science
and Mathematics

UNIVERSITY of
West Georgia

Scholarships from the College of Science and Mathematics

★ Brooks O. Pittman Science Scholarship (\$700)

Awarded to an outstanding Georgia resident majoring in Chemistry, Math or Physics with an overall GPA of 3.5 with demonstrated financial need.

★ Shirley Caffee Boykin Scholarship (\$400)

Awarded to an outstanding student majoring in science or mathematics.

★ Fred D. White & Gail Brooks White Scholarship (\$1600)

Awarded to an outstanding student with a future career goal of medical doctor, nurse or biomedical researcher with a focus on pulmonary diseases. Must be a resident of Douglas, Haralson, Carroll, Paulding, Polk, Floyd and Cobb counties and maintain a 3.5 GPA and show financial need.

★ John Philip Kittel Memorial Scholarship (\$500)

Awarded to a sophomore or junior pre-engineering major with an overall plus science/math GPA of 3.0 who is on track to transfer to Georgia Institute of Technology to complete his/her engineering degree.

Paid Assistantships

- ★ Laboratory Assistants
- ★ Student Research Assistants
- ★ Peer led team learning (PLTL) leaders
- ★ Supplemental instruction (SI) leaders

Chemistry Department Scholarships

★ William Lockhart Scholarship (\$1,000)

Awarded to a chemistry major who has completed at least an academic year of consecutive chemistry courses at the UWG and shown “heart” towards learning chemistry.

★ James A. Wash Scholarship (\$500)

Awarded to a chemistry major who will be attending UWG during the succeeding academic year and has completed CHEM 1211, CHEM 1212, and CHEM 3422 or CHEM 3310K.

★ Glenn Esslinger Memorial Scholarship (\$600)

Awarded to a chemistry major from Carroll, Coweta, Douglas, Heard or Haralson counties who maintains a 3.0 GPA.

★ Lois Martin Scholarship (\$1,000)

Awarded to a pre-med major based on GPA and potential with need being a secondary consideration.

★ Roy L. Denney Scholarship (\$850)

Awarded to a biology or chemistry major with a pre-med focus and is based on merit and potential, with need being a secondary consideration.

★ Department of Chemistry Scholarship (\$500)

Awarded to a chemistry major who will be attending the University of West Georgia during the succeeding academic year and is based on merit and need.

Chemistry Achievement Awards

- ★ Latha Barnes Award (\$750 plus plaque) for excellence in general chemistry
- ★ Esslinger Organic Book Award (value \$330) for excellence in general chemistry and promise for the following organic chemistry sequence
- ★ Freshman Chemistry Achievement Award (value \$100) for excellence in general chemistry
- ★ Physical Chemistry Book Award (value \$230) for excellence in organic chemistry and promise for physical chemistry sequence in the following year
- ★ Biochemistry Book Award (value \$250) for excellence in organic chemistry and promise for biochemistry
- ★ Pope-Grogan Award (\$200 plus plaque) for excellence in organic chemistry
- ★ Analytical Chemistry Award (value \$100) for excellence in analytical chemistry
- ★ Lucille B. Garmon Physical Chemistry Award (\$100 plus plaque) for excellence in physical chemistry

Graduating Senior Awards

- ★ James Boyd Award (\$100 plus plaque) to recognize outstanding achievement in undergraduate chemical research .
- ★ American Institute of Chemist Award (annual membership plus plaque) to recognize academic ability, leadership and professional promise.
- ★ Faculty Recognition Award (plaque) to recognize academic ability, leadership and professional promise.
