Master of Science in Applied Computer Science
Course Pre-Requisite Flowchart and Cohort Rotation

100% online • 6 hours per semester • 24 months

The Department will offer courses each semester to honor the cohort rotation shown above.

NOTE: Arrows between courses are indicative of the course pre-requisite structure (e.g., CS 6311 is a pre-requisite to CS 6312). Multiple arrows leading to a solid bar indicate multiple courses must all be completed as a pre-requisite for the class following the solid bar (e.g., CS 6312 and CS 6252 are pre-requisite to CS 6910).

The program is designed to be completed in two years. Maximum duration for the program must not exceed three years.
